VOLUNTEER INFORMATION

The City is looking for volunteers pick up litter in a neighborhood, park or waterway. You do not have to be a Danbury resident to participate in the clean-up. The Mayor's Office provides supplies (trash bags, safety vests and gloves). If you are planning on picking up litter around the city, please fill out a volunteer form so that we can know where to pick-up your garbage and which streets are getting beautified. Volunteers are also needed, but limited, at each dumpster location. Volunteers at a dumpster site will assist residents in the drop-off process.

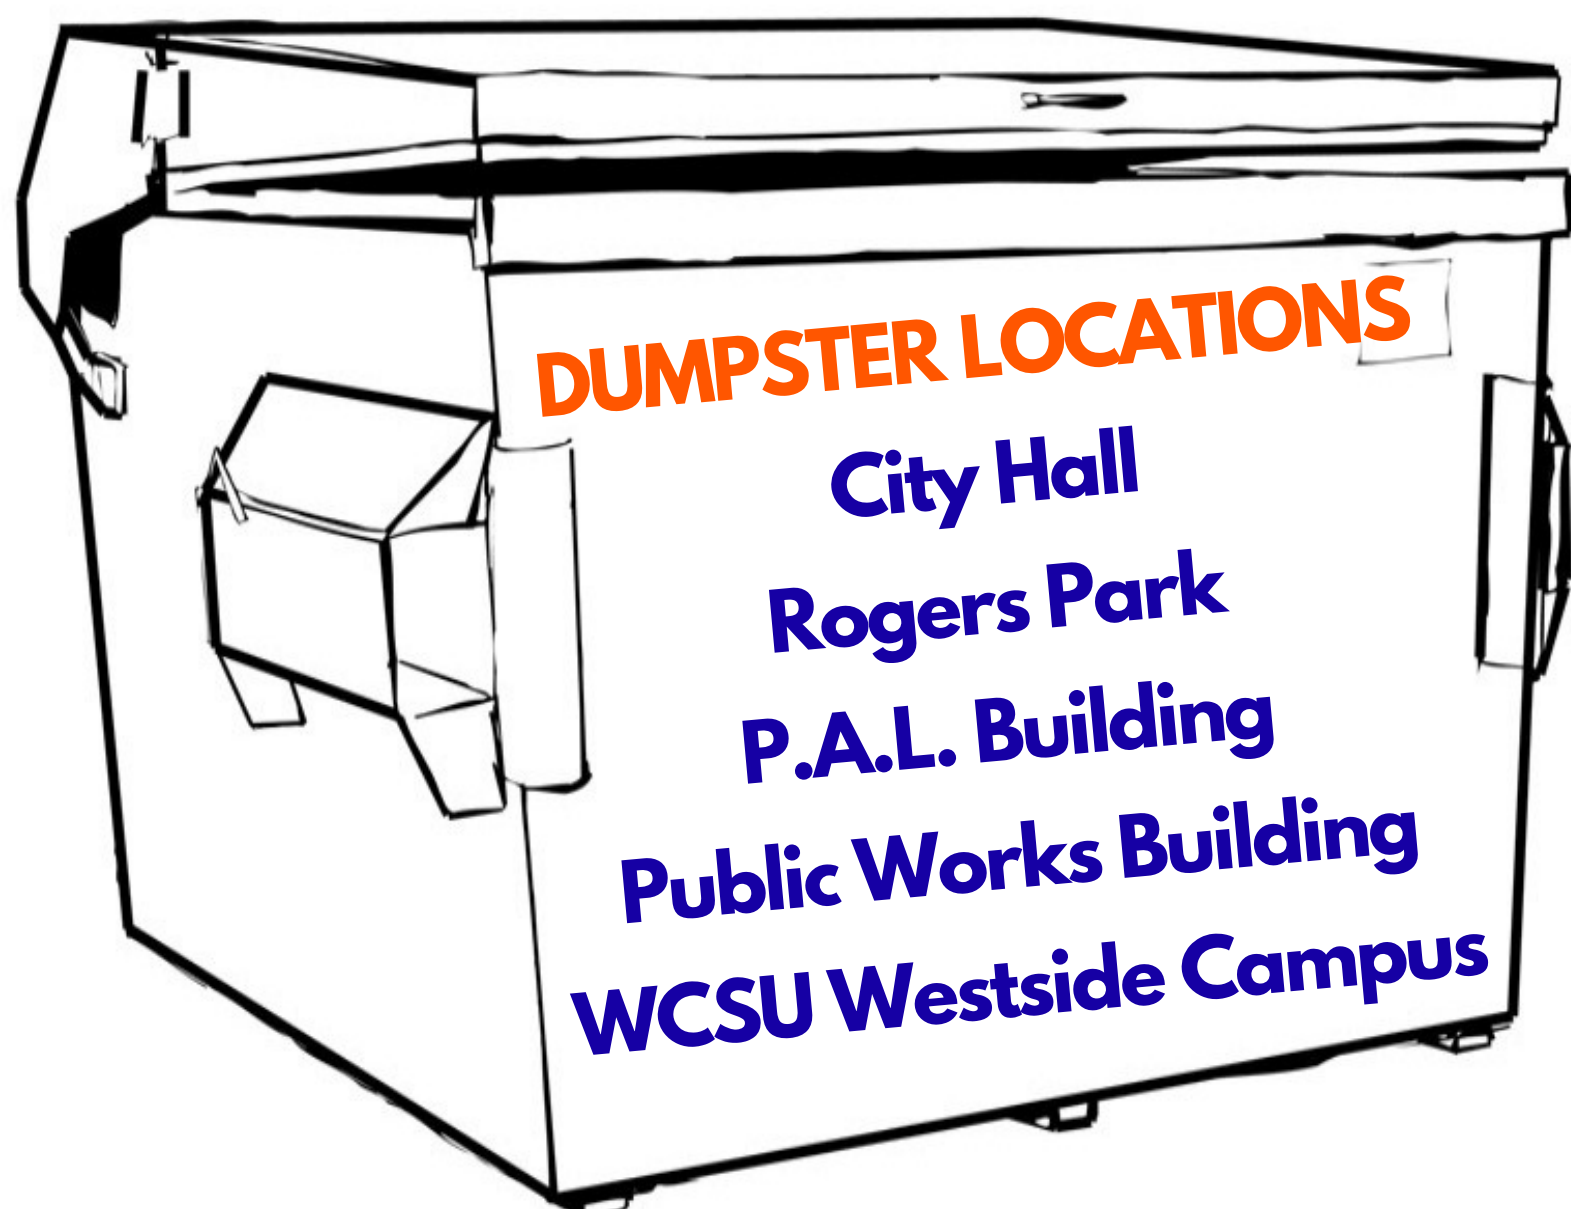

RESIDENT DROP-OFF INFORMATION

Clean your home or property of debris and unwanted items! Dispose of them, free of charge, at any one of our five dumpster sites. Bulk garbage dumping is limited to Danbury residents and residential property owners ONLY (proof is needed). No commercial vehicles or box trucks will be allowed. Construction debris, grass clippings, yard debris, hazardous wastes, and electronics* are NOT allowed. Also note that scrap metal, tires and white appliances containing freon must be kept separate from other garbage.

*Electronics are accepted for free year-round at Winters Bros. Recycling Center (307 White Street).

PAPER SHREDDING

Winters Bros. Waste Systems will be providing paper shredding at their recycle center during the event! 307 White Street.
