Review and consider draft budget for FY 19-20

J. Heaton-Jones presented three draft options for the FY 19-20 to consider. The new FY budget reflects a change in revenue from a \$1 a ton MSW program fee to a \$2 a ton program fee. The Director adjusted recycling revenue to reflect the change from \$7.50 per ton to \$5.00 a ton and a reduction in tonnage. All three budgets included an increase in HHW events from 3 to 5 events for the year, adding an event in Bethel and Ridgefield. In addition, the budget increased staff salary 2.5%. All three options had minor adjustments where the Director felt it was needed due to normal annual increases in various expense lines such as insurance, travel and office supplies. The three different options highlighted were: A.) No change in staff with additional. B.) Adding a part-time Regional Recycling Coordinator. C.) Increasing T. Carlson's hours to 35 hours per week to full time to fill the request for a regional recycling coordinator. T. Carlson has agreed to take a stipend in lieu of medical insurance. The Authority would provide life insurance and long term disability as per the personnel policy.

Motion by H. Rosenthal, second by S. Dunn to accept Option C and to increase T. Carlson's hours to 35 hours a week and to recommend to the full Authority at the annual meeting a 2019-20 FY budget with projected revenue of \$632,250 and total expenditures of \$598,976. **Vote:** All in favor
