#### **Public Comment:**

No public comment.

### **Chairman and Members' Comments:**

Chairman had no comments. J. Urice inquired location of budget details in packet and was directed to Attachment D for discussion under item 7c.

#### **Director's Report:**

- J. Heaton-Jones highlighted the following items from her written report:
- MSW tonnage year to date is running at 104% compared to same time last year.
- Recycling tonnage is running at **60%** compared to the same time last year.
- E-waste tonnage is at **85%** compared to the same time last year.
- HRRA Director is expecting a smooth transition July 1 from Wheelabrator to Oak Ridge.
- In addition to normal end of year operations and fulfilling public education commitments, significant time has been spent contracting for a new e-waste vendor; negotiations and contracting an amendment to Regional Solid Waste and Recycling Agreement; developing agreement with Oak Ridge on the glass pilot and preparations for next HHW event on July 20, 2019.

Members inquired about the decrease in recycling tonnage. Executive Director identified a contributing factor was a major hauler taking tonnage outside the HRRA system for processing. H. Rosenthal asked attending All American Waste representative, K. Vallera, the reason for redirecting recycling tonnage and if that decision was reversable. K. Vallera identified HRRA's piloting glass removal from the mixed stream as major driver in the decision.

### **Administrative Approvals:**

- a) Minutes Motion by P. Bass, second by J. Urice, to approve the minutes of the June 5, 2019 (attachment A) Vote: The motion passed unanimously; with 89 votes in favor.
- b) Financial Statements Motion by S. Dunn, second by R. Straiton, to approve the financial statements through May 30, 2019 (attachment C), as presented. Vote: The motion passed unanimously; with 89 votes in favor.

  - Executive Director, J. Heaton-Jones shared that HRRA Legal Counsel drafted an amendment to the Regional Solid Waste and Recycling Agreement to reflect the increase in the MSW Tip Fee effective July 1, 2019 per the approved motion at the June 5<sup>th</sup> meeting. The amendment has been reviewed by both parties and is waiting signatures.
  - J. Heaton-Jones announced CT DEEP approved the Regional Solid Waste and Recycling Agreement as of last week.
  - J. Heaton-Jones shared the request by Oak Ridge to negotiate a change in the recycling tip fee from the contractual fee effective July 1, 2019 of \$25/ton to the current HRRA rate of \$65/ton.

**Motion** by P. Bass, second by D. Lowe, to table discussion on opening negotiations with Oak Ridge on recycling tip fee. **Vote: The motion passed unanimously;** with 89 votes in favor.

#### **New Business:**

- a) Transfer Motion by K. Hanson, second by S. Dunn to transfer \$17,053.62 from Contingency line in the 2018-19 FY budget, to the CT PR Tax of \$1.89 for estimated Connecticut payroll taxes, to the Fed PR tax line of \$83.57 for estimated federal payroll taxes, to Travel/Mileage line of \$402.17 for estimated travel/mileage for staff, \$1565.99 HHW HRRA Share and \$15,000 to HHW Towns as approved at the June 2018 meeting for the July 28, 2018 Brookfield HHW event to cover expenses for the 18-19 FY.   - J. Urice voiced concerns that the budget does not reflect savings to increase the fund balance. He recommended the Executive Committee make changes to the budget to reflect the fund policy to have a minimum of 200% operating budget. He also did not approve of using all the new revenue in the first

year. There was additional discussion that the Fund Policy is a goal not a minimum and that the Authority is not a for-profit business and should be using funds to serve the public.

**Motion** by J. Urice, second by K. Hanson to send the proposed budget back to the Executive Committee. **Vote**: **The motion failed**; with 53 votes against and 36 in favor Danbury(36).

P. Bass proposed a friendly amendment to reduce expenses and inquired if the Administrative Assistant would consider reduction in base salary and the medical stipend with the understanding compensation to be revisited at the 6 month mark in the fiscal year. T. Carlson agreed to the reduction of salary and to reduce the medical stipend in lieu of medical insurance. J. Heaton-Jones noted that the Authority per the Personnel Policy is required to give full time employees health insurance. T. Carlson accepted the stipend, anything else would be against the personnel policy.

**Motion** by P. Bass, second by S. Dunn to amend budget as presented by reducing Contingency Fund balance from \$20,000 to \$10,000 and to reduce Legal Fees from \$20,000 to \$10,000, resulting in a \$20,000 increase to the Fund Balance. **Vote: The motion failed**; with 50 votes against from the towns of Bethel(8), Danbury(36) and New Fairfield(6) and 39 in favor from Bridgewater(1), Brookfield(7), Kent(1), New Milford(12), Newtown(12), Redding(4) and Sherman(2).
