OAK RIDGE TRANSFER STATION, LLC CREDIT AGREEMENT

ARTICLE VIII - PAYMENTS - Regional Solid Waste and Recycling Agreement.

8.1 Oak Ridge will invoice the Collectors weekly for all MSW Tip Fees and Recyclables Tip Fees applicable to that month. Copies of all invoices will also be sent to HRRRA at the same time as sent to the Collectors. Also, within fifteen (15) days of the end of each month, Oak Ridge will send to HRRRA an accounts receivable aging report, showing the amount of the receivable from each Collector, with aging of current, 30, 60 and 90 and over days, as of the end of such month. In the event a Participating Municipality is a Collector, an invoice will be sent to that Participating Municipality. Except as otherwise agreed to by Oak Ridge, Collectors shall make payment to Oak Ridge of all invoice amounts within forty-five (45) days from the date of such invoice.

If an error on the part of the Collector results in an overpayment to Oak Ridge, Oak Ridge shall promptly notify the Collector, and shall either promptly refund such overpayment to the Collector or apply the overpayment to the Collector's next invoice. No interest shall accrue to the Collector as a result of such overpayment.

In the event the Collector disputes a portion of any invoice, the Collector shall pay the undisputed portion of said invoice within the term of this Section 8. 1 and shall promptly pay the remaining balance, if any, upon resolution of such dispute.

8.2. The obligation of OAK RIDGE and the Collectors to pay the amounts to be paid by each party from time to time hereunder shall not be subject to diminution by reason of any shutdown of any of the Transfer Stations, the White Street Facilities (or any portion thereof), or the MRF, or of any set-off, abatement, counterclaim, existence of a dispute or any other reason, known or unknown, foreseeable or unforeseeable, which might otherwise constitute a legal or equitable defense or discharge of the liabilities of either party hereunder or limit recourse against either party.

8.3. In the event that any Collector is more than forty-five (45) days delinquent (that is payment has not been made within forty-five (45) days (or such longer period if so provided under OAK RIDGE-approved payment plan with such Collector) of the date of the invoice) (the "Shut Off Date") in payment of any MSW Tip Fee, Recycling Tip Fee, or Other Acceptable Materials Tip Fee due and owing, OAK RIDGE shall reject any further deliveries from such Collector to the Transfer Stations, the White Street Facilities and/or the MRF until such amount is paid in full, provided that OAK RIDGE has followed its standard billing procedures, as consistently applied. Upon request from the HRRRA, OAK RIDGE will advise the HRRRA of OAK RIDGE's standard billing procedures. OAK RIDGE may immediately begin to reject a Collector's deliveries until the account is brought current if a Collector defaults on the terms of a payment plan entered into with OAK RIDGE. The above collections protocol shall be applied equally to all Collectors, including without limiting the generality of the foregoing, any Collector that is an Affiliate of OAK RIDGE, provided however, that OAK RIDGE must reject deliveries of a Collector that is an Affiliate of OAK RIDGE and more than forty-five (45) days delinquent whether or not OAK RIDGE has applied the collection protocol to such Affiliate.

If any Collector fails to deliver to OAK RIDGE any required payment within forty-five (45) days of the statement date, the HRRRA will, and where permitted by applicable law will cause each Participating Municipality to, suspend such Collector's license to collect Acceptable Solid Waste from the Participating Municipalities. Upon request, OAK RIDGE will provide to the HRRRA documentation which reflects the non-payment by any such Collector and the procedures used by OAK RIDGE to collect amounts owed from any such Collector, which procedures shall be in accordance with OAK RIDGE's billing and collection procedures.

In consideration of the extension of credit to the undersigned by Oak Ridge Transfer Station, LLC, in lieu of being required to pay cash, the undersigned agrees that all invoices rendered by OAK RIDGE for disposal charges incurred at the HRRRA system on or after July 1, 2019, will be paid within thirty (30) days from the Invoice Date.

Housatonic Resources Recovery Authority**2020-21 Annual Permit and Municipal Registration Application** (Effective August 1, 2020-July 31, 2021)**HRRR RECYCABLE MATERIAL GUIDELINES.**

In an effort to enhance the quality of the recycling stream in the HRRR region and to defray increased processing cost, Oak Ridge Waste and Recycling will be implementing contamination fees on loads with more than 6% contamination.

Contamination means that portion of Recyclable Materials delivered to the Danbury Recycling Facility or the MRF that consists of material that is not specified as Recyclable Material in Appendix B-2, of the Regional Solid Waste and Recycling Agreement between the HRRR and Oak Ridge.

Appendix B-2 Recyclable Materials/Facility Delivery Standards: Recyclable Materials means all items designated from time to time by the Commissioner of DEEP pursuant to the provisions of Section 22a - 241 b(a) of the General Statutes as suitable for recycling and such other items as are designated from time to time by HRRR.

Mixed Recyclables means all Recyclable Material delivered to the Danbury Recycling Facility or the MRF from generators within the applicable Participating Municipalities in commingled single or dual stream. If any load of Mixed Recyclables contains more than 6 percent (6%) weight or volume of Non-Recyclable or Contaminants, Article IV of the Agreement shall apply.

Recyclable Material delivered to the Danbury Recycling Facility or the MRF Facility shall be free of dirt, food, and other liquid or solid residue material. Mixed glass bottles and cans may be delivered with labels, neck rings and caps.

Excerpts from ARTICLE IV – Regional Solid Waste and Recycling Agreement

OAK RIDGE WASTE AND RECYCLING will accept at the Danbury Recycling Facility or the MRF and either transfer to the MRF, as applicable, or otherwise process and sell all Products derived from HRRR Recyclable Material delivered to the Danbury Recycling Facility or the MRF by or on behalf of HRRR and the applicable Participating Municipalities, which acceptance, processing and sale shall be undertaken at OAK RIDGE WASTE AND RECYCLING's sole cost and expense in accordance with the terms of the Agreement. OAK RIDGE WASTE AND RECYCLING will accept such deliveries of HRRR Recyclable Material at the Danbury Recycling Facility and the MRF on an equal, non-discriminatory basis, as among the various Collectors, including any Collector that is an Affiliate of OAK RIDGE WASTE AND RECYCLING, with respect to hours of access, waiting times, tip fees and other conditions applicable to Collectors making such deliveries.

Identification, Rejection, or Processing of Non-Recyclable Material or Recyclable Material Not Conforming to Facility Delivery Standards. OAK RIDGE WASTE AND RECYCLING shall be responsible to inspect vehicles delivering Recyclable Material to the Danbury Recycling Facility and the MRF. OAK RIDGE WASTE AND RECYCLING's obligation to accept and process HRRR Recyclable Material from Collectors shall not restrict or limit OAK RIDGE WASTE AND RECYCLING's obligation to inspect all vehicles delivering Recyclable Material to the Danbury Recycling Facility or the MRF to determine whether such vehicle contains Hazardous Waste, Non-Recyclable Material in excess of Facility Delivery Standards or Recyclable Material not conforming to Facility Delivery Standards set forth in Appendix B-2. If during any such vehicle inspection, OAK RIDGE WASTE AND RECYCLING determines that the vehicle is delivering Recyclable Material not conforming to said Facility Delivery Standards, **OAK RIDGE WASTE AND RECYCLING shall require the Collector to remove the vehicle from the Site.** OAK RIDGE WASTE AND RECYCLING shall immediately notify HRRR of any such rejection stating the date and time of rejection, the Collector and driver's name, the Participating Municipality of origin, and the reason(s) for rejection and shall follow this with a report in writing of the same information within two (2) calendar days delivered to HRRR.

If a load of Recyclable Material is unloaded onto the Danbury Recycling Facility or MRF tipping floor, and OAK RIDGE WASTE AND RECYCLING determines that said load contains Hazardous Waste, Non-Recyclable Material in excess of Facility Delivery Standards or Recyclable Material not conforming to Facility Delivery Standards set forth in Appendix B-2, OAK RIDGE WASTE AND RECYCLING shall immediately notify HRRR. The load shall be processed, if reasonably possible, and any costs, in addition to normal operating costs associated with processing a load of conforming Recyclable Materials, **shall be charged to the Collector**, provided however, if the Collector cannot be determined or if the non-

conforming materials were delivered by someone other than a Collector, shall be the responsibility of OAK RIDGE WASTE AND RECYCLING.

If a load of Recyclable Material described above cannot be processed because it is contaminated with Hazardous Waste, OAK RIDGE WASTE AND RECYCLING will promptly notify HRRR and follow the guidelines in accordance with its DEEP permit, as follows: "Ensure that any unacceptable solid waste inadvertently received, or solid waste which is unsuitable for processing at the [Facility] is: (i) promptly sorted, separated, isolated and temporarily stored in a safe manner prior to off-site transport; (ii) recorded in the daily log and reported in the quarterly report required by this document; and (iii) disposed at a facility lawfully authorized to accept such waste. A spare container shall be available for any storage emergency."

Public Education & Outreach

It is the responsibility of each hauler to know the Connecticut recycling laws. Haulers are encouraged to read the complete text of the laws by using the links posted on the HRRR website or the CT General Assembly website.

https://www.cga.ct.gov/current/pub/chap_446d.htm#Sec_22a-207

It is also the responsibility of each hauler to educate their customers to recycle right.

The HRRR is dedicated to providing public education and outreach to all residents, businesses, and municipalities. HRRR has adopted the State of Connecticut universal guide *What's In What's Out*. This guide of what residents should and should not recycle should be used by all haulers to reduce contamination. Registered haulers may request copies of any education material listed on the HRRR website www.hrrr.org for distribution at no charge.

Haulers should email the request to Info@HRRR.org.

By signing below, you acknowledge you have read and understand Section IV of the Regional Solid Waste and Recycling Agreement and the provisions outlined in CT Chapter 446d* Solid Waste Management and you acknowledge that you have access to free educational material for your customers through the HRRR.

2020-21 Annual Permit and Municipal Registration Application (Effective August 1, 2020-July 31, 2021)

DOT INSPECTION Must be completed for each vehicle that is required to have an annual inspection

New for 2020-21, for the safety of the public and transfer station operators, a copy of the RECORD OF ANNUAL INSPECTION must be submitted with any and all vehicles the applicant will be using to conduct business in the HRRR region and for which an inspection is required by state or federal law. A hauler must not use any such vehicle unless each component identified on the RECORD OF ANNUAL INSPECTION has passed an inspection by a qualified inspector who has training or certification to inspect and maintain commercial motor vehicles at least once during the preceding 12 months.

Safety inspections can be performed at either a DMV office equipped for inspections or at designated emissions inspection stations run by the state's emissions inspection contractor. Inspections are performed at the DMV facilities in Danbury, Enfield, Hamden, Northwest (Winsted), Old Saybrook, Waterbury, Wethersfield, and Willimantic and at the emissions inspection stations in Bridgeport, Danbury, Darien, East Lyme, Manchester, North Haven, North Windham, Southington, Taftville, Thomaston, and Waterbury.
