Approval of September 10, 2020 Minutes

Tabled

Annual Recycling Billboard Contest

J. Heaton-Jones announced the recycling Billboard Contest entry forms will be ready for distribution the week of November 16th. Contest entries are currently due December 18, 2020. The entry form does indicate the date is subject to change due to Covid.

HRRRA may purchase Rubbermaid containers to leave at Transfer Stations and/or Town Halls for entry forms to be submitted. The entry form will also be sent out digitally. The template and contest rules will be on the HRRRA website. The contest theme is "Recycle Right". HRRRA will check with each town on where to place a drop box and establish the judging group. The judging will likely be virtual.

Recycling Coordinator Roles and Responsibility

The Recycling Coordinator should be a contact for residents to call or email with questions. The recycling coordinator for municipalities is listed on the CT DEEP website. Towns should review the posted list of Recycling Coordinator and update it if needed, the information can be revised through the CT DEEP website.

CT Coalition for Sustainable Material Management (CCSMM)

The new formed CCSMM is currently meeting online. There are four working groups; Organics, Recycling, EPR, and Unit-Based Pricing. The meetings are open to the public. The schedule, recordings, and comments can be found on the CT DEEP website by searching "CCSMM".
