

Ridgefield Transfer Station Access and Disposal Fees

You must have a permit to use both the Recycling Center and Transfer Station.

USING THE KIOSK

ONLY passenger vehicles may use the kiosk.

Use the kiosk when dropping off bags of garbage. (1-10 bags)

Drive to the right side of the scale house. Your permit must be displayed in the rearview mirror.

Use a credit or debit card and follow the prompts at the gate control box. Wait approximately 30 seconds for your transaction to register and the gate will lift.

- **Resident Permit Holders:** Pay \$5.00 for 1 – 5 13-gallon bags of garbage, or \$10 for 6-10 bags of garbage. Anything over 10 bags must be weighed.
- **Non-resident Permit Holders:** Pay \$10 for 1 – 10 13-gallon bags of garbage. Anything over 10 bags must be weighed.

USING THE SCALE

Use the scale when dropping off more than 10 bags of household garbage. All trucks, vans and vehicles towing trailers must use the scale.

Enter the transfer station on the left side of the scale house. Please remain in the vehicle and hold your permit up to the window.

Once you are waved through proceed to the back of the disposal building.

After dropping off your items, return to the scale house to be weighed out. Pay using a credit or debit card.

Fees as of November 15th, 2024
