# HRRA Director's Report February 27, 2025 HRRA Meeting

#### MSW and Recycling Tonnage Summary Report through January 31, 2025

- MSW tonnage to date is currently 101% for the FY, and 95% the same month last year.
- Recycling tonnage to date is 99% for the FY and 99% compared to the same month last year.
- Total Recycling tonnage for the 2024 calendar year was 11,739 compared to 11,253 tons in 2023.
- Glass collected from March 2019 to date 4,556,580 lbs. / 2278tons.

Detailed tonnage reports are attached to the agenda packet.

#### Meetings and Activities Recap from January 2025-February 2025

The Ridgefield USDA Grant Project to build a municipal solar powered ASP Composting facility has been completed. The last report is due to the USDA in May and will be provided to the Authority by the April meeting.

CT DEEP is expected to announce the MMI grant recipients at the end of February. HRRA applied for 1.2 million dollars in funding for member towns to improve recycling solid waste and recycling infrastructure.

- T. Carlson and J. Heaton-Jones have been meeting with a company to implement a new food scraps incentive program. The pilot program will begin April 1<sup>st</sup> in Ridgefield at no cost to the town. If successful it will expand to the region. The program could possibly bring revenue back to the municipality to offset costs for food scraps diversion.
- J. Heaton-Jones attending the Environment Committee Hearing in Hartford on January 31<sup>st</sup> and testified on HB 5017 An Act Concerning the Extended Producer Responsibility for Tires. The intent of Public Act No. 23-62 was to ensure a closed-looped solution for end-of-life management of tires that would prevent illegal dumping and more consumer transparency. Unfortunately, the current legislation does not require retailers to participate in the program. Retailers are essential to the collection and disposal system of tires and should be held as a responsible party to ensure a successful program. The HRRA's testimony supported the bill to require their participation.

HRRA Staff and SMM Project Manager T. Carlson met with Bethel First Selectman and Public Work staff in early February to discuss their Sustainable Material Management grant project at their transfer station that now allows residents to drop-off organics at their transfer station using a PAYT system.

J. Heaton-Jones has joined a new Northeast Regional Organics Committee facilitated by the Northeast Recycling Coalition. This committee is focused on advancing sustainable organic waste management practices across the Northeast region and serves as a collaborative platform for industry experts,

regulators, and other groups to exchange ideas and develop actionable strategies to promote best practices for organic waste reduction, beneficial reuse, and recycling.

J. Heaton-Jones and T. Carlson have been working tirelessly on supporting the Newtown Recycling Ad Hoc Committee in a plan for permanency for their new transfer station PAYT program as well as future plans for their municipal curbside recycling program.

HRRA Staff continue to provide monthly Transfer Station Operators meetings to support towns transfer stations on new available programs and regulatory requirements. The February meeting hosted David Keeling and Kim O'Rourke from the Cylinder Collection. They provided a presentation about the upcoming EPR law on gas cylinders and what transfer stations should expect from the program, what they can provide for resources and the timeline for implementation.

HRRA Staff took the Regional Recycling Task Force on a tour of Take2's E-waste processing facility in Waterbury. They learned how electronics from municipalities are received, processed (including hard drive wiping and shredding) and sorted for reuse and recycling. This learning opportunity for both task force members and transfer station operators allowed hands on experience and knowledge to bring back to member towns when interacting with residents.

HRRA staff participated in the Town of Weston's Sustainable Weston community event and provided a Trash Talk on February 10<sup>th</sup> at Lachat Town Farm. The talk provided residents information about the current affairs of waste and recycling in the state and promoted the new organics food scraps recycling program at the Weston transfer station.

- J. Heaton-Jones has joined the Northeast Regional HHW advocacy committee to help bring more support and strategic planning to HHW management in Connecticut.
- J. Heaton-Jones attended the Environment Committee Public Hearing on February 19<sup>th</sup> and testified on HB6917 An Act Concerning the Management of Solid Waste in the State, HB5019 An Act Establishing an EPR Program for Batteries and HB 1281 An Act Concerning a Study for EPR for Solar Panels and Wind Turbine Blades. Overall, the Director expressed support for these initiatives but asked for language modifications to the bills.

Testimony on HB5019 focused on ensuring that Municipalities are defined as a covered entity in the approved language.

Testimony on HB1281 asked to consider including a study for HHW.

Testimony on HB6917 expressed disappointment in the current language. Including ensuring that if there were to be any increase on the solid waste assessment fee that the funds do not go to the General Fund but to a dedicated waste management fund to support and ensure material management infrastructure in the state otherwise the HRRA does not support increasing the fee to resource recovery facilities such as Wheelabrator. In addition, the Director asked the committee to consider other needs to improve solid waste management such as;

- Expand existing end markets and create new markets.
- The need for a strategy that can advance business development in Connecticut and creates innovative solutions for a sustainable circular economy for all material.

- A secure funding mechanism that is dedicated to material management that empowers and supports Connecticut businesses to develop innovative solutions.
- Support infrastructure aka capacity to process the various material streams that must be managed at their end of life whether it is general solid waste, organics, or recyclables beyond the "blue bin".
- Create incentives for individuals and municipalities to embrace how we manage material differently that can repurpose, reused, recycled or composted.
- Improve education that is statewide, universal and consistent and funding for the RecycleCT Foundation.
- Enhanced training and certification requirements for waste and recycling coordinators
- Robust resources are available for K-12 education.
- Better enforcement with Haulers and/or Municipalities who do not comply with the current laws and allow residents/customers to co-mingle waste and resources.
- Make everyone accountable for food waste diversion, not just large generators.
- Develop a strategy and long-term plan to address the waste crisis.

The 2025 Billboard contest judging was completed in March and the award ceremony is scheduled for **April 30**<sup>th</sup> **5:30pm at the Newtown Community Center** HRRA members should have received a calendar invite.

The Executive Committee met on February 19th to discuss the HRRA annual budget and possible ways to increase revenue.

The approved MetroSTOR food scraps satellite containers are arriving in March. The Town of Newtown has agreed to be the hub. They will store them while they are distributed and installed throughout the region. A draft letter of agreement to CEO's and Public Works directors will be sent the week of February 24<sup>th</sup> for review. Towns will be asked to decide where they would like their container to be installed and how they would like them to be managed (by municipal public works or by a third-party vendor that collects organics). Towns may opt out of installing a container at this time and free up containers for other member towns to take advantage of. The cost of the container and installation is being paid for by the HRRA approved at the June 2024 meeting.

### MARKET ANALYSIS

#### January brings rising HDPE and PET prices, fiber stability by RecyclingMarkets.net Staff

Several plastic grades saw major price increases at the beginning of 2025. Other key recyclables, including mixed paper, OCC and aluminum cans, held steady month over month.

The national average price of post-consumer **natural high-density HDPE** from curbside collection programs moved up 24% in January to an average 82.38 cents per pound. This compared to 66.19 cents in December and 28.50 cents a year prior.

The national average price of post-consumer **PET beverage bottles and jars** moved up to an average 16.44 cents per pound, compared to 15.41 cents per pound in December. Regional contracts were again yielding in the range of 17-19 cents per pound. One year ago this grade was trading at an average 11.47 cents per pound.

The national average price of **color HDPE** remained steady last month, still at an average 5.44 cents per pound, compared to 18.81 cents one year ago.

The national average price of post-consumer **PP** remained unchanged at 9.06 cents per pound. PP was 4.94 cents one year ago.

The national average price for **old corrugated containers**, **PS 11**, remained steady at an average \$73 per ton. OCC averaged \$87 per ton this time last year.

**Mixed paper, PS 54**, was up \$1, from \$41 to \$42 per ton. This compared to \$48 per ton this time last year.

**Sorted residential papers**, **PS 56**, were down \$3 to the \$60-perton range. This compares to \$60 per ton one year ago.

**Sorted office papers, PS 37**, remained steady at \$117 per ton, compared to an average \$132 per ton one year ago.

The national average price for sorted, baled **aluminum used beverage cans** was also steady, trading at 86.88 cents per pound, unchanged from last month. UBCs were 61 cents per pound this time last year.

The price for sorted, baled **steel cans** remained unchanged, trading in the \$174 per ton range. Steel cans averaged \$212 per ton one year ago.

The national average price of **Grade A film** was unchanged, at 18.13 cents per pound. It traded at 13.88 cents one year ago.

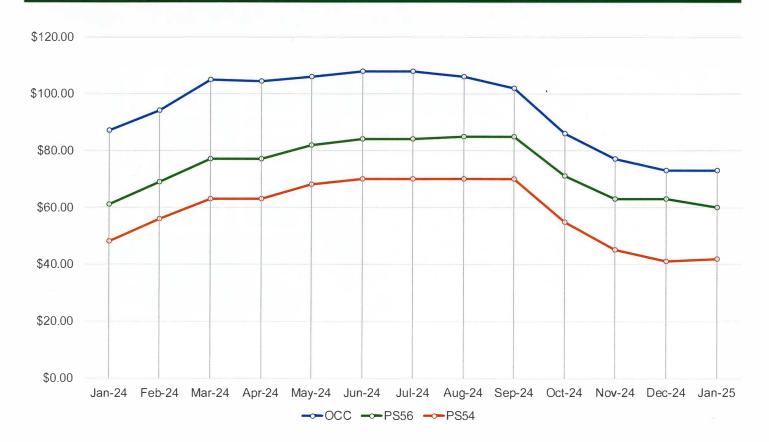

**Grade B film** was up marginally, rising from 7.63 to 7.75 cents.

**Grade C film** was at a nominal 0.63 cents per pound.

These prices are as reported on the Secondary Materials Pricing Index. This pricing represents what is being paid for post-consumer recyclable materials in a sorted, baled format, picked up at most major recycling centers.

#### Call to Order:

The meeting was called to order by Chairman M. Knickerbocker at 10:36 a.m. with 85 votes present from 10 towns.

#### **Public Comment:**

No Public Comment

#### **Chairman and Members' Comment:**

The Chairman welcomed the HRRA members to the new year and reminded members that the authority held a vote in 2024 to change the HRRA by-laws to one town, one vote. However, that vote will not be effective until each town updates their municipal charter.

#### **Director's and Tonnage Report**:

J. Heaton-Jones reviewed highlights from the written Director's Report and tonnage reports (Attachment A).

- The director is in communication with Legal Council to draft sample language for municipalities to use in their local ordinances to align member towns with enforcement language and updated by-law language.
- The HRRA has ordered 20 metroSTOR containers (organics/food scrap collection satellite containers) that are expected to arrive in March. The metroSTOR containers will be placed strategically throughout the HRRA region to collect food scraps.

The Chairman announced that the CT Coalition for Sustainable Materials Management (CCSMM) has reconvened.

#### **Administrative Approvals:**

- **a.) Minutes: Motion** by D. Carter second by R. Alves, to approve the minutes of July 25, 2024, (Attachment B). **Vote: The motion passed unanimously;** with 85 votes in favor.
- **b.)** Financial Statements: J. Heaton-Jones reviewed the financial statements through December 31, 2024 (Attachment C). Motion by M. Lindenmayer, second by J. Pemberton, to approve the financial statements through December 31, 2024, as presented. Vote: The motion passed unanimously; with 85 votes in favor.

#### **Old Business:**

#### 6a.) Beyond 2029 Subcommittee Update

The Chairman shared an update on the Beyond 2029 Subcommittee:

- The subcommittee met on January 22, 2025.
- R. Marconi was elected as the chair of the subcommittee.
- The subcommittee requires additional data to proceed with formulating a proposal and will invite industry experts to share perspectives on industry trends.
- Meeting dates and minutes will be posted.

#### **New Business:**

#### 7a.) 2023-24 FY HRRA audit (*Attachment D - p.33*)

G. Nanavaty reviewed the HRRA 2023-2024 fiscal year audit. G. Nanavaty stated there were no issues with the audit and commended the executive committee for being involved with all transactions and recommended the board continue to function in the same manner.

B. Henry and the Chairman acknowledged the Director for diligent financials.

**Motion** by D. Carter, second by R. Alves, to approve the 2023-2024 FY Audit (Attachment D), as presented. **Vote: The motion passed unanimously;** with 85 votes in favor.

#### 7b.) 2025 Meeting Dates (Attachment E - p.65)

**Motion** by M. Lindenmayer, second by B. Henry to approve the HRRA 2025 meeting dates as presented. Vote: **The motion passed unanimously**; with 85 votes in favor

#### 7c.) 2025 HHW Dates (*Attachment F - p.66*)

**Motion** by P. Del Monaco, second by M. Lindenmayer to approve the 2025 HHW dates and worker schedule as presented. Vote: **The motion passed unanimously**; with 85 votes in favor

- B. Henry inquired what the numbers in the HHW schedule refer to next to each municipality listed.
- J. Heaton-Jones provided a detailed explanation of the HHW schedule and the importance of municipal staff attending the events as scheduled. The numbers pertain to the number of workers each town is assigned.

#### 7d.) HRRA 2025 Legislative agenda (Attachment A - p.9)

J. Heaton-Jones reviewed the 2025 legislative agenda.

A discussion ensued regarding the current proposed bills.

The Chairman proposed tabling a vote on the 2025 Legislative agenda to the next HRRA meeting when more detail is available.

HRRA members are in consensus to allow additional time to follow the progress of the proposed bills.

#### 7e.) Proposal - HRRA lobbyist for 2025 year

J. Heaton-Jones shared the HRRA received proposals from two lobbyists.

A discussion ensued on the benefits of the HRRA hiring a lobbyist for the calendar year 2025. Members appointed D. Carter to be the Director's adviser to review the proposals and determine the best fit for the Authority.

**Motion** by M. Lindenmayer, second by H. Rosenthal to allow the HRRA Director to negotiate up to \$20,000 to employee a lobbyist. Vote: **The motion passed unanimously**; with 85 votes in favor.

#### 7f.) Review and discuss Hauler letter – complaint (Attachment G - p.67)

M. Knickerbocker shared the HRRA received an anonymous complaint from a hauler that addresses concerns and allegations pertaining to violations of state and federal laws at the Danbury Transfer Station, operated by Interstate Waste Services also known as Oak Ridge, located at 307 White Street, Danbury CT.

S. Dunn acknowledged the concerns should be addressed, however as they pertain to state and federal laws, the HRRA should advise the person on who to address the concerns with at the state and federal level.

The Chairman stated because the allegations are beyond the ability of HRRA to enforce the person should contact the Connecticut Office of the Attorney General.

J. Heaton-Jones confirmed the HRRA staff will send an email to all haulers informing them that complaints pertaining state and federal violations should be addressed to the Attorney General's office.

#### **Adjournment**

**Motion** by M. Lindenmayer, second by D. Carter, to adjourn the meeting at 11:42 a.m. **Vote: The motion passed unanimously**; with 85 votes in favor.

Respectfully submitted, Jennifer Baum 1:07 PM 02/17/25 Accrual Basis
