Kent Transfer Station rules:

Use of the transfer station is by permit only.

Permits are valid for the fiscal year July 1, 2026 – June 30, 2027.

Permits are issued for one Kent household only. Sharing your permit is not allowed.

Pursuant to CGS 22a-241b, all residents are required to recycle.

The Town of Kent has transitioned to a **permanent** Unit Based Pricing and Organic Food Scrap collection system. Permits to access the transfer station have been significantly reduced for all users. Users are now responsible for paying for their own generation of trash and will be required to use town issued trash bags. The cost of the bag covers the cost of disposal per user. Users may choose how many bags they wish to purchase with their permit and may purchase additional rolls of bags throughout the year. Bags are available in variable sizes.
